I'm leading the reasearch cluster on business processes and workflows @ [QE](#) . More information on the BPM@QE team can be found [here](#)

My main research areas are

- [Integrated Process LifeCycle Support](#)
- [Systematic Comparison of PAIS-enabling technologies](#)
- [User assistance and support in flexible PAIS](#)

and I'm involved in the following projects:

- [Admina](#)
- [Alaska](#)
- [CHEETAH](#)
- [DLE](#)
- [ProCycle](#)
- [ProEx](#)
- [SecServ](#)
